GRADUATE ENROLLMENT STATUS FORM 2009-2010

Graduate cost of attendance is based on enrollment of 6 credit hours per semester. If you enroll in more than 6 credit hours, you may request your cost of attendance to be adjusted accordingly. By completing this form and returning it to our office you are confirming that you have read and understand the information below. PLEASE NOTE: In order to receive a student loan, you must be enrolled in at least 6 credit hours per semester.

Student Name _____ EKU Student ID _____

- If my fall and spring levels of enrollment are not the same, I understand that my loans will be calculated as fall only and spring only loans. I understand that fall only and spring only loans are made in two disbursements within the semester with the first disbursement no earlier than the last day of the drop/add period and the second disbursement no earlier than the calendar mid-point of the semester. This equates to four total disbursements. NOTE: If I want an academic year loan (two total disbursements) I can choose to leave my cost of attendance as is and do not need to complete this form.
- I understand that my financial aid will not be disbursed unless my actual enrollment matches the projected enrollment listed on this form. If my projected level of enrollment changes after this form has been completed, I should contact Kelly Young, Loan Coordinator at kelly.young@eku.edu so adjustments can be made.
- I have read [EKU's Satisfactory Academic Progress Policy](#) and understand that I may be denied future financial aid if I drop or fail a class and do not complete the required number of hours in accordance with this policy.

*I authorize the Division of Student Financial Assistance to adjust my cost of attendance to the projected hours listed below:

*I have read, understand and agree to all of the terms listed above.
